Curriculum Vitae

I always wanted to be a software engineer. At the same time, an entrepreneurial or leadership position was something I wanted as I always had an end-to-end mindset from idea to execution.

I have grown through various roles, including leadership positions at the intersection of People, Business, and Technology. The journey of learning never ends — and I am fully equipped to apply my expertise and adapt instantly.

Latest Experience

- since 04/24 *TGW Logistics GmbH* Wels
 Manager Group Emulation
 Leading Software Development, Consulting & Support teams
 Talent Development; Cost Center Responsibility
 Process Implementation & Optimization
